TECHNICAL SKILLS

Programming Languages: HTML, CSS, JavaScript, TypeScript, Java, Python, SQL

Frameworks: React, Angular, Spring Boot, Vue.js, Node.js

Libraries: Bootstrap, SCSS

Cloud & DevOps: AWS, Kubernetes, Jenkins, Docker, GitHub

Databases: PostgreSQL

Tools & Platforms: DBeaver, Postman, Bruno, Jira, VS Code, IntelliJ, Agile

WORK EXPERIENCE

Equifax — *Full-Stack Developer*

March 2025 – September 2026

- Maintained a pharmacy compliance platform enforcing legal medication purchase limits.
- Enhanced Angular and Vue.js applications by fixing defects, remediating vulnerabilities, and implementing new features.
- Enhanced Spring Boot and Python services by fixing defects, remediating vulnerabilities, and implementing new features, including RBAC functionality.
- Remediated vulnerabilities identified through Fortify and penetration testing.
- Investigated production issues using AWS CloudWatch, identifying root causes and implementing fixes.
- Used Lambda, Cognito, and Secrets Manager for application rules, authentication, and secure client access.
- Migrated automated reports from AWS Fargate to Kubernetes CronJobs.
- Supported deployments and troubleshooting using Jenkins and Kubernetes.
- Queried PostgreSQL using DBeaver to resolve data issues and retrieve client metrics.
- Tested REST APIs with Bruno and documented legacy APIs using OpenAPI.

Side-Eye Studios — *Frontend Developer | Contract*

November 2023 – February 2025

- Built and maintained a responsive portfolio website using React, Bootstrap, and SCSS.
- Deployed the application using AWS Amplify and configured Route 53.
- Collaborated with stakeholders on website design and functionality.

Cognizant — *Full-Stack Developer*

June 2022 – January 2024

- Developed Cognivision, an internal React tool for tracking project metrics.
- Optimized state management and data handling using React Hooks.
- Wrote unit tests covering functionality and edge cases.
- Integrated development workflows with Jenkins CI/CD.

EDUCATION

Southern Methodist University

Dallas, TX

Bachelor's Degree in Computer Science
